

Culligan™

Q3 

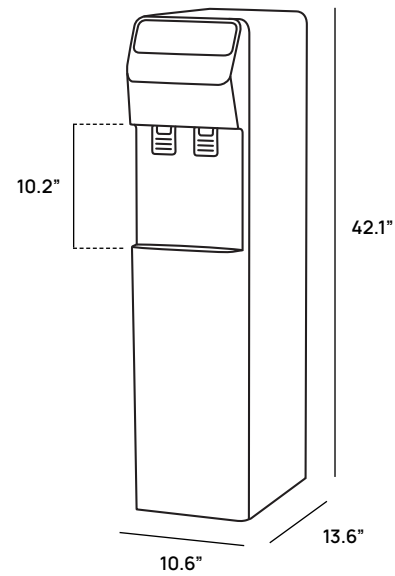

Freestanding
Water Cooler with
quenchWATER+

Upgrade your office drinking water with filtered water from the Q3. This bottlefree water cooler produces fresh filtered cold and hot water and is especially designed to provide an economical choice for small offices or lower traffic areas.

Specifications

Product Details

The Q3 advanced filtration system removes contaminants from the water and then adds back essential electrolytes and minerals to improve water taste. State-of-the-art LED UV-C is used to help maintain the quality and cleanliness of the water. The Q3 is available as a freestanding model. Water up with the Q3 today!
